

# Solutions for the Lighting Industry

POWER, SIGNAL, VIDEO, VOICE & DATA

## Wire and Cable

**Power Cord** Type SJTOW 105C 300V. Sizes 18/3 18/4 18/6. White and black indent printing. STOW 105C 600V. Bulk available. Cut and stripped to custom lengths.

**Through Wire** THHN/TFN/TFN in all common wire gauge sizes and colors. Striping and special marking. Bulk spool and barrel inventory available. Any common wire gauge sizes cut and stripped to custom lengths.

**High Temperature Wire and Cable** 200C/250C All common gauges and colors. Bulk available. Cut and stripped to custom lengths.

## Wire Termination

**Waterproof Strain Reliefs** Black and gray. All NPT and PG sizes.

**Splices & Taps** All common wire gauge sizes.

**2, 3, 4, & 6 Position Push-on Connectors** Solid and stranded.

**High Temperature Silicone and Fiberglass Sleeving** All sizes.

**Wire Ties** Standard, low profile, high temperature and stainless steel. All sizes.

**Wire Termination Tools**

**Inline Splices** Solid and stranded.

**Ballast Quick Disconnects**

**High Temperature Ceramic Wire Nuts**

**Wire Nuts** All sizes and colors including OEM tan.

## Wire Harnesses/Assemblies

**Wire Jumpers** Stuffing lighting sockets and ballasts applications. All common wire gauges, colors and lengths.

**Ground Straps** Terminal on one end or both. All common wire gauges and colors. Solid and stranded.

**Safety Cables** Terminals on both ends. All terminal sizes, any length utilizing aircraft grade wire rope.

**Power Harnesses** Standard lighting applications.

**Power & Signal Harnesses** LED Applications.
